***Behavioral Health Redesign 101 – Regional Trainings

The Ohio Association of County Behavioral Health Authorities, in partnership with the Ohio Departments of Mental Health and Addiction Services, and Medicaid will be hosting a series of regional trainings on all of the work occurring under the **Medicaid Behavioral Health Redesign**. Ohio’s Community Behavioral Health System is currently undergoing major system transformation and we want to make sure that all providers are aware of the changes.

These regional trainings will focus on:
- The new Medicaid reimbursable evidenced based services,
- The use of Psychosocial Rehabilitation (PSR), Individualized Intensive Treatment Service (IITS) and Community Psychiatric Supportive Treatment (CPST) services,
- The National Correct Coding Initiative,
- Rendering Provider Requirements,
- Coordination of Benefits/ Medicare Participation, and
- The new Specialized Recovery Services (SRS) Program

The **Behavioral Health Redesign 101 Regional Trainings** will be held in late April and early May. The trainings will be from 9:30 a.m. - 3:00 p.m. The cost to attend the training is $30, which includes lunch, handouts, and CEUs and RCHs. We are asking each provider to limit their attendees to three (3) per organization, so that we can accommodate all providers across the state.

Click the links below for more information and to register. Questions? Please call **614.224.1111** and ask for Dontavius.

- Cleveland – April 21
