Trading Partner Testing Opening for MITS and MyCare Ohio Plans

Fee for Service Testing

Medicaid trading partners submitting electronic claim files on behalf of non-hospital behavioral health providers (MITS provider types 84 and 95) may begin sending test files. Please review the [May 1st issue of MITS BITS](#) for specific guidance regarding the content and structure of test files. Test files that do not adhere to this format cannot be processed.

Trading partners should submit test files as early as they are ready in order to ensure successful implementation on July 1, 2017.

MyCare Ohio Testing

Trading partners can also conduct EDI testing with MyCare Ohio Plans. Please review and follow the specific guidance below regarding the content and structure of MyCare Ohio test files. Also noted below is the date testing will become available for each MyCare Ohio Plan.

Trading partners should submit test files as early as they are ready in order to ensure successful implementation on July 1, 2017.
