Spring 2018 BH Provider Forums

Ohio's Medicaid Managed Care Organizations are hosting regional forums to offer important information for behavioral health providers preparing for Managed Care integration. This is a good opportunity for providers to get updated information on Medicaid managed care plan billing rules, receive personalized technical assistance on claims and/or contracting, and meet key contacts at the managed care plans.

Due to limited space, please limit in-person attendees to 3 people per organization. Registration information can be found below.
