

CBHC Universal Roster

BACKGROUND

The Ohio Department of Medicaid (ODM) and the Ohio Department of Mental Health and Addiction Services (OhioMHAS) have worked with the managed care plans (MCPs) and a provider workgroup identified by the Behavioral Health Integration Task Force to create a single, simplified roster across all MCPs for community behavioral health centers (CBHCs). Known as the CBHC Universal Roster, it can be submitted by CBHCs (PT84/PT95) to all MCPs in lieu of plan-specific rosters to report any new hires, changes in certification, etc., and is the next step of the process intended to ease the burden on CBHCs related to credentialing practitioners with MCPs. This process is expected to begin on May 1, 2019.

WEBINAR

On Tuesday, April 30th, a CBHC Universal Roster training webinar will be held:

- Webinar registration is now available here: <https://attendee.gotowebinar.com/register/3577755159767977996>.

The webinar will share important information on the CBHC Universal Roster process and use of the corresponding template which will be posted online soon at: <https://bh.medicaid.ohio.gov/manuals>.

Note: The MCPs will be available during the webinar to address questions on the CBHC Universal Roster and will begin accepting and using the CBHC Universal Roster on May 1st.
